Honorable Robert D. Murphy  
Deputy Under Secretary  
Department of State  
Washington 25, D. C.

Dear Bob:

I understand you are anxious to have a copy of our organization chart for your own personal use.

I am enclosing a copy of the chart used in connection with our basic organization regulation. You will see that it is not highly detailed in some respects. If you find that you require additional specific data I will be glad to talk to you about it sometime.

Faithfully,

Allen W. Dulles  
Director
